

# AMINA ABAH

hello@amicodes.com ▪ Västra Götaland, Sweden

## WORK EXPERIENCE

### Ahlgrens Husbilar

Current

*Full-Stack Web Developer*

- Developed and launched the complete company website from the ground up using modern web technologies for optimal performance and user experience.
- Led comprehensive SEO optimization efforts, resulting in improved search engine rankings and increased organic traffic.
- Manage ongoing site maintenance, feature enhancements, and technical improvements to ensure optimal performance and user satisfaction.

### Chick Centric Naija

Current

*Co-founder*

- Built a full-featured e-commerce web application enabling seamless online shopping experiences with secure payment integration.
- Implemented product catalog management, shopping cart functionality, and order tracking systems.
- Ensured mobile responsiveness and fast load times through optimization of modern web technologies.

### Nefertiti

March 2025 – October 2025

*Senior Backend Engineer*

- Maintained and enhanced backend systems, identifying and resolving critical bugs that improved application stability and reliability.
- Developed and deployed new features based on user requirements, collaborating with frontend teams to ensure seamless integration.
- Optimized database queries and API performance for better scalability and user experience.

### Vinicious Global

November 2019 – June 2024

*Frontend Software Developer*

- Developed responsive, user-friendly web interfaces using modern JavaScript frameworks including React.
- Collaborated with designers and backend developers to implement pixel-perfect designs and integrate RESTful APIs.
- Improved application performance through code optimization and implementation of industry best practices.
- Participated in code reviews and mentored junior developers to maintain high code quality standards.
